

11. Guest lecture conducted on 28th Jan 2023, Saturday by Er. Akshay Nagpure

Our Alumni Er. Akshay Nagpure, BE Civil from VPKBIET Baramati (2015) who is working as Project Manager-SAM BUILDING CONTRACTING firm and as a CEO-SAIT Contracting (Dubai), has delivered a guest lecture to our students on ' **Construction of Civil engineering projects in Dubai**'. He explained the different projects on which he is working and completed recently, with help of photos and videos and drawings of the project. About 25 students attended it. This exposure will help students to correlate theory with practicals and actual construction projects activities and processes and entrepreneurship skill development.
