A Expert talk on “Professional Ethics and Personality Development” was organized by Vidya Pratishthan's Kamalnayan Bajaj Institute of Engineering and Technology, Baramati in association with Board of student development - SPPU Pune, on 16th Feb.2023.

The main objective of the expert talk was to familiarize participants with the emerging ideas and trends on how to develop personality in the 21st century contexts and Aim is to discuss Professional Ethics and Code of Conduct by narrating various practical experiences and conflict situations and highlighting the importance of adhering to the Professional Code of Conduct.

Session 1

The first technical session started with “Understanding oneself: personality” by Dr. Umesh S Kollimath. He talked about the role of personality while appearing for the interviews.

Development of positive attitude and positive change is personality development according to Dr. Umesh. He encouraged students to utilize the college and campus life for developing few skills which can benefit them during their placements. Confidence, body language, team work, time management, self-motivation, leading quality etc were the sub topics of the lecture. He elaborated all these points and discussed about the ways to develop such qualities in the students

Session 2

**Safety and Engineering Practice Regarding Risk and
After post tea session Dr. talks about Codes and Engineering Practice Regarding Risk and
Safety.**

He emphasized that ethics is a branch of philosophy that addresses the concepts of right and wrong or good and evil; and professional ethics are principles that govern the behaviour of a person or group in a business environment

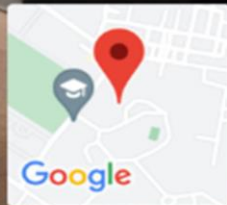

His speech was followed by activity of the participants. Copies of relevant case study were distributed among participants in groups of 3 or 4 to analyse the case study and share their views. The students interacted and clarified doubts regarding issues on facing problems getting through tough phases in life etc.
