March 28, 2022

December 18, 2021

Dear Sahil Kamble

Subject: Internship Offer Letter

We are pleased to offer you an internship opportunity in Cyber Security at SISTMR Australia with the designation of "Intern - Research". This is an unpaid internship and your completion period is contingent upon the successful and satisfactory completion of all the tasks assigned to you. During the internship, you will also get an opportunity to avail the resources provided by SISTMR Australia for your overall growth and betterment.

During the internship period, you will be expected to maintain a progress report which will be discussed at regular intervals by your reporting supervisor. At some stage, you might be handling data which is sensitive or classified. Violation of rules in this regard can lead to termination of internship. Hence, we would request you to go through the terms and conditions provided on the next page carefully. In case of any discrepancy, please get in touch with us at the earliest. We look forward to seeing you and once again offer you a very warm welcome.

As an intern under SISTMR Australia, you shall be bound by the following terms & conditions during your tenure. In addition, you will have access to special privileges and resources as mentioned below:

1. The management shall be free to change the designations from time to time, as per the organization's requirement and during your tenure here, you will be reporting to the undersigned.
2. This is not a job offer letter and any further extension to your internship will only be made based on business needs and your performance during the term of your internship.
3. Your research responsibilities will be detailed further by your reporting supervisor as per the business requirements.
4. In addition to oral/written instructions, office orders, you will be governed by the Rules, Regulations and all such Practices, Systems, Policies and Procedures prevailing in the SISTMR Australia which shall form part of the contract. This contract shall be binding to you during the course of your Internship.
5. You are required to register in the clean exit professional ethics at workplace program before commencement of the internship.

AUSJOURNAL INDIA

cybercertifications@gmail.com

www.ausjournal.com

Bruce ACT 2617 Australia

7. This internship is an industrial training and not lead to any Australian degree / diploma / certificate qualification.

8. Interns must be aware that 'SISTMR Australia Internships' are Industrial Training Programs (Nationally NOT Accredited / Recognized) and will not lead to an AQF qualification or statement of attainment.

Kindly return to us the duplicate copy of this letter along with Annexures A duly signed by you as a token of your acceptance.

**** You will be provided the 'Certificate of Completion' from SISTMR Australia after completion of internship.**

The requirement for the internship are,

* Attendees must have a computer system with an internet connection

* Computer system configuration window 7/8/10 / Mac/Linux ,64 bit processor, Minimum 2GB/ 4GB RAM

Who can do internship?

It is best suitable for students ,faculty, research scholar, & working Professional.

Fee: Free

Looking forward hearing from your side.

ACCEPTANCE BY INTERN

I here by state and confirm that I have read and understood the terms and conditions and they are acceptable to me in totality, governing my services/Internship with the SISTMR Australia. I have also read, understood the Annexure – A and I undertake to adhere to these rules and regulations of the SISTMR Australia and the modifications, amendments made therein from time to time.

I also confirm that this offer has been given to me after due discussions and verbal acceptance of the terms and non-acceptance of this offer letter may result in rating in Clean Exit. I also confirm that in addition to these rules and regulations, the SISTMR Australia also may frame, implement new rules governing the conditions of service of the internships with the company.
