In the BOS meeting following points were discussed:

1. Decide Prerequisite and corequisite course mapping before finalizing the sequence of subjects.
2. GATE syllabus must be considered for coverage and sequence of subjects.
3. PPS subject should not be limited to or specific for any one programming language. Current PPS syllabus is Python Programming Based.
4. Research Methodology in different semesters must differ in name.
5. NPTEL parallel curriculum would be a better option for Semester VIII subjects and Minor or Honor subjects. However, give flexibility considering availability of subjects on Swayam.
6. Software Engineering and Distributed Systems subjects to be offered as Program Core subjects.
7. Avoid overlapping subjects for MDM, Double Minor and Honor.
8. More focus should be on core or fundamental subjects.
