

	Vidya Pratishthan's Kamalnayan Bajaj Institute of Engineering & Technology, Baramati	
	Department of Mechanical Engineering	
	Report on Alumni Talk – "Axis of Inspiration"	

Event Report: Alumni Talk – Guest Lecture

Organized by: Prof. Suraj H. Kumbhar-PRO

Coordinated by: Mechanical Engineering Students' Association (MESA)

Date: 13th August, 2025

Venue: Online Platform

Duration: 10:30 a.m.

The Department of Mechanical Engineering, Vidya Pratishthan's Kamalnayan Bajaj Institute of Engineering & Technology, Baramati, successfully organized an alumni interaction session under the theme "Axis of Inspiration – Alumni as the Pivot of Guidance"

The event was conducted in virtual mode through Google Meet (link: <https://meet.google.com/xez-zgcm-iax>) and witnessed enthusiastic participation from SY, TY, and BE Mechanical Engineering students along with faculty members.

The guest speaker for the session was **Mr. Aditya Akkalkote**, a distinguished alumnus from the Mechanical Engineering Batch of 2020, currently working as MES Engineer at TCS. He joined the session live from Nitra, Slovakia.

Mr. Akkalkote shared his professional journey, experiences, and valuable guidance with the students, focusing on career preparedness, global exposure, and technical competencies. He highlighted his work-life experience spanning both core and software industries, elaborating on the differences, challenges, and opportunities in each field. He also shared insights from his earlier career at TE Connectivity, where he served as a Production Engineer, and his current role in the software industry.

The session served as a source of inspiration and motivation for the budding engineers, encouraging them to set clear goals and adapt to the evolving demands of the industry. It

provided a unique platform for students to interact with an industry professional and gain real-world insights, reinforcing the institute's commitment to nurturing alumni connections for student development.

The program was organized and coordinated by Prof. S. H. Kumbhar, Public Relations Officer, under the guidance of Dr. M. S. Lande, Head of the Department of Mechanical Engineering, and Dr. P. R. Chitragar, Dean, Alumni. The MESA team of the Department of Mechanical Engineering actively coordinated during the program to ensure smooth execution.
