PARENTS MEET REPORT

Day, Date & Time: Saturday, 28 March 2026, 10 AM

Venue: Conference Hall, VPKBIET, Baramati

A Parents Meet was successfully organized on 28th March 2026 at Vidya Pratishtan's Kamalnayan Bajaj Institute of Engineering & Technology, Baramati, to strengthen communication between parents and the institute and to discuss the academic progress and overall development of students. The program commenced with the registration of parents, followed by tea arrangements for their convenience.

The formal session began at 10:30 AM in the Conference Hall with a welcome note, setting a positive tone for the event. The program was smoothly anchored by Prof. Dipak Sonawane, who effectively conducted the session and maintained the flow of events. Saraswati Poojan followed this to seek blessings for knowledge and wisdom.

Prof. Suraj Kumbhar delivered the foreword, emphasizing the importance of collaboration between parents and the institute in shaping students' careers. The dignitaries present on the dais were then introduced to the audience.

Dr. S. M. Bhosle, Dean Academics, addressed the gathering and shared valuable insights on academic initiatives and teaching-learning processes. Prof. Jyoti Kulkarni, Training and Placement Officer, briefed the parents about various placement activities, training programs, eligibility criteria and career opportunities available to students.

During the program, GATE-qualified students were felicitated for their achievement, motivating others to excel academically.

Dr. S. B. Lande, Principal, addressed the parents and highlighted the institute's vision, achievements, and future plans.

A parent representative, Mr. Shashikant Chaudhar, shared his views and appreciated the institute's efforts toward student development. This was followed by an interactive session where parents expressed their suggestions, feedback, and expectations regarding academics, facilities, and overall student growth.

Glimpses of Parents Meet

The formal session concluded with a vote of thanks delivered by Dr. P. R. Chitragar, expressing gratitude to all dignitaries, parents, and organizers.

After the formal session, parents visited their respective departments, where HoDs and faculty members discussed students' academic performance, attendance, and overall progress in detail. Individual interactions helped address the specific concerns of parents effectively. The program concluded with lunch, providing an opportunity for informal interaction between parents and faculty members.

Overall, the Parents Meet was conducted successfully with enthusiastic participation from parents. The event strengthened the relationship between the institute and parents and provided valuable feedback that will help in enhancing the academic environment and student support systems.
