Chief Guest		Adv. Tushar Zende Patil (Legal Consultant)	
Student Coordinator		Organized by MESA- Mr.Pratik Raut	
Venue		Conference Hall, Main Building, VPKBIET	
No of Participants and Viewers		103	

Brief about the Program:

A guest lecture on "Consumer Protection & Cyber Security" was organized by the Mechanical Engineering Students' Association (MESA) on 19th March 2025 at VPKBIET, Baramati. The session was delivered by Adv. Tushar Zende Patil, a distinguished legal consultant.

The event began with a **welcome address and introduction** of the guest by the faculty coordinator. Following this, Dr. M.S.Lande (HoD-MECH) felicitated Adv. Tushar Zende Patil with a token of appreciation for his presence and valuable contribution in spreading awareness about **consumer rights and cyber security**.

The event was attended by Third Year (TE) and Final Year (BE) students from the Mechanical, Electrical, Civil, and ENTC Departments. The primary objective of the lecture was to educate students on consumer rights, legal remedies under the Consumer Protection Act, and the growing concerns regarding cyber threats in the digital world.

Adv. Tushar Zende Patil covered various key topics, including:

- Consumer Rights & Responsibilities
- Legal Provisions under the Consumer Protection Act
- Types of Cyber Crimes & Preventive Measures
- Legal Recourse for Cyber Fraud Victims
- Case Studies on Cyber Security Incidents

The session was interactive, with students actively engaging in discussions and seeking clarifications on fraudulent e-commerce transactions, online scams, and data privacy concerns. The expert shared real-world case studies to provide a deeper understanding of legal aspects in consumer protection and cyber security.

The event concluded with a vote of thanks, expressing gratitude to Adv. Tushar Zende Patil for his valuable insights. The successful organization of this session by MESA highlighted the importance of

legal awareness among students, ensuring they remain informed and vigilant in both consumer and digital spaces.
