FE Student Induction Program 2021-22

Date :- 27-12-2021

Subject: Introduction to 3D Printing & Machine Learning.

Conducted by: Dr.Vipin.Gawande.

The first session of the FE Student induction program started with a delightful session of **“Introduction to 3D Printing & Machine learning”**. The session was conducted by faculty of department of Mechanical Engineering Dr.Vipin.Gawande.

The session was about the importance of 3D Printing and Machine Learning. He has explained how 3D Printing devices have become an important part of our day-to-day life. It has become difficult for us to do work without using 3D & 2D Printing. We live in a generation that uses 2D & 3D Printings and technologies where 2D objects and 3D Objects are capable of doing human work with more ease and efficiency. It is an important part of engineering.

The meeting title is 'Vidya Pratishthan's Kamalnayan Bajaj Institute of Engineering and Technology, Baramati-413133-India'. The presentation slide is titled '3D Printing' with the subtitle 'Turn Your Ideas into Objects with 3D printing'. It features an image of a 3D printer and text stating 'Presented by Dr. Vipin B. Gawande, B.E (Mechanical Engg-GCOE Amravati), M. Tech (Heat Power Engg.VNIT Nagpur), Ph.D (VNIT Nagpur) Assistant Professor, Dept. of Mechanical Engineering, VPKBIET, Baramati'. The right sidebar shows a list of participants (69) including Sandeep Shelar, Pratik, Dr. Vipin B. Gawande, and various students. The bottom toolbar includes icons for Unmute, Start Video, Participants, Chat, Share Screen, Record, Reactions, and Leave.

Subject: Entrepreneurship & Incubation – Design Learning.

Conducted by: Dr.Jyoti Rangole.

The second session of the FE Student induction program was started with a delightful session of “**Entrepreneurship & Incubation – Design Learning**”. The session was conducted by faculty of department of E&TC Engineering Dr.Jyoti Rangole. The session was about the importance of Entrepreneurship & Incubation centre in Design Learning. She has to explain how to start-up Entrepreneurship & Incubation with different facilities. Also, which facilities will be important for students like Payments, Healthtech, Agri Tech, Foodtech, Home interior Designs. It will be beneficial for first year students. Incubation – Design Learning has become an important part of our day-to-day life. It has become difficult for us to do work without using the Incubation Centre. It is an important part of engineering.

Glimpse of the Day:

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide titled "Why To Be An Entrepreneur Conti...". The slide content includes a bulleted list of reasons for becoming an entrepreneur: "Become your own boss", "Doing the work that you enjoy", "Creating greater wealth", "Helping your community", and "Enhanced social status". Below the list, there is a comparison chart for "YOUNG", "ADULT", and "OLD" stages, with columns for "TIME", "MONEY", and "ENERGY". To the right of the chart is a quote from Steve Jobs: "YOUR TIME IS LIMITED, SO DON'T WASTE IT. LIVING SOMEONE ELSE'S LIFE." and a small image of Steve Jobs. The Zoom interface shows a top bar with the title "Zoom Meeting" and a status bar indicating "You are viewing Dr.Jyoti Rangole's screen". The top bar also displays the names of participants: Sandeep Shelar, Dr. Vipin B. Gaw..., Dr. Aparna Sajja..., and a "View Options" button. Subject: Unnat Bharat Abhiyaan – Government Schemes.

Conducted by: Mr.Pravin Dhandore.

The third session of the FE Student induction program was started with a delightful session of **“Unnat Bharat Abhiyaan – Government Schemes”**. The session was conducted by faculty of department of Mechanical Engineering Mr.Pravin Dhandore. The session was about importance of government schemes. He has to explain how start-up Unnat Bharat Abhiyaan under Government Schemes and Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India.. Also which facilities and schemes will be important for students will be explained.

The screenshot displays a Zoom meeting interface. At the top, a status bar indicates "You are viewing Pravin Dhandore's screen". Below this, a header bar shows the names of participants: Mr.Sandeep She..., Dr. Aparna Sajja..., and Pravin Dhandore. The main content area shows a PowerPoint presentation titled "Unnat Bharat Abhiyaan Government Schemes". The slide content is as follows:

- **Contents:**
- **Background:**
- **Vision, Mission and Objectives:**
- **Major Area of Intervention in Sustainable Rural India Development:**
- **Village Development Themes:**
- **Selection of the Villages:**

On the right side of the screen, a "Participants (220)" list is visible, showing a search bar and a list of participants with their names and status (e.g., "Mr.Sandeep Shel... (Co-host, me)", "Vidya Pratisthan, Bar... (Host)", "Pravin Dhandore (Co-host)", etc.). The system clock at the bottom right indicates "11:52 AM 27/12/2021".

Subject: Importance of AI & DS Engineering.

Conducted by: Mr.Dinesh Zende.

The Fourth session of the FE Student induction program was started with a delightful session of **“Importance of AI & DS Engineering”**. The session was conducted by faculty of department of AI & DS Engineering Mr.Dinesh Zende. The session was about the importance of AI & DS Engineering. He has explained Artificial Intelligence and Data Science is a **new branch of study which deals with scientific methodologies, processes, and techniques drawn** from different domains like statistics, cognitive science, and computing and information science to extract knowledge from structured data and unstructured data. AI & DS technologies is capable of doing human work with more ease and efficiency. It is an important part of engineering. He has concluded his session with video explaining importance of AI & DS in our day to day life

The screenshot shows a Zoom meeting window. At the top, there are four participant names: Mr.Sandeep She..., Dr. Nitin Shelke, Swanand Aragade, and Dinesh Zende. Below them, a web browser is open to the Cognitive Class website, which displays search results for various courses. The courses listed include:

- Cognitive Class: DV0101EN - v1.0: Data Visualization with Python (Starts: Any time, Self-paced Course, 4.2/5 (402))

Subject: Networking & Developing your LinkedIn Profile, National Service Scheme – Universal Human Values.

Conducted by: Mr.Charudatta Date, Mr.Deepak Sonawane

The fifth session of the FE Student induction program was started with a delightful session of **“Networking & Developing your LinkedIn Profile”**. The session was conducted by faculty of department of Training & Placement Mr.Charudatta Date. The session was about the importance of LinkedIn Profile. He has explained how to create a profile on LinkedIn website, job profiles have become an important part of our day-to-day life. The capable LinkedIn website & profile doing human work with more ease and efficiency. It is an important part of engineering.

In which second session continued by Mr.Deepak Sonawane, He has also given information about the National Service Scheme for first year engineering students. He had also explained how to understand other people with the example of the Hare- Tortoise story. He has concluded his session with several images and explaining importance of NSS schemes in our day to day life

NATIONAL SERVICE SCHEME (NSS) - MARCHING CONTINGENT

Coming up is the contingent of National Service Scheme, known as NSS. The contingent comprising of One Hundred Volunteers including college level boys and girls from 100 different institutions of the country is marching under the command of Shri Abhishek Bhatnagar from West Bengal Directorate. Launched in 1969, Gandhi's 100th Birth Centenary year, the scheme is active in 679 Universities, 51 Directorates and Councils, 17,676 Colleges and Institutions of higher learning and 12,000 Senior Secondary Schools with more than 3.9 million volunteers across the country. Thrust of NSS movement is to develop the personality of student youth through community service. Apart from its other programmes like Swachh Bharat, Disaster Management, Blood Donation, Environment, Enrichment, Adventure activities etc., NSS has been contributing significantly in mitigating COVID-19. It's Bharat Shiksha Bharat programme and Fit India programme. The organization has completed its 51 years.

The motto of NSS is "Not Me But You"
