Workshop on German Language--25 September 2021

We organised a workshop on German Language on **25 September 2021**. The workshop was conducted for all the students of VPKBIET, Baramati. The purpose of the workshop was to make students aware about the significance of German language, opportunities after learning the language and also about various online platforms through which German Language can be learnt. Ms. Sayali Nipanikar and Mr. Anoop Rode were the resource persons for the workshop. 390 students participated in the workshop and took advantage of it. Mr. Anil Patil planned and coordinated the workshop under the Centre for Enhancement of English and Foreign Languages (CEEFL) of our Institute.

Mr. Anoop Rode during the Session

Session on Interview Techniques--28 August 2021

We organised a session on Interview Techniques for our second, third and last year students during 3:00 to 5:00 pm on 28 August 2021. It was planned under the Centre for Enhancement of English and Foreign Languages (CEEFL). 170 students attended the session. The speaker, Dr. Pradip Pawar guided the students about basics of the interview process, types of interview and how to plan, prepare and practice for the interview. The session proved useful for the students. Mr. Anil Patil planned and coordinated the session under the Centre for Enhancement of English and Foreign Languages (CEEFL) of our Institute.

Report on the Session on Soft Skills--13 April 2022

The Centre for Enhancement of English and Foreign Languages (CEEFL) organised a session on Soft Skills. The session was organised on 13 April 2022. Dr. Anil Patil presented the foreword to the program. The speakers for the sessions were Dr. Pradip Pawar and Dr. Dipali Kadam. Both of them delivered the sessions on *Importance of Language in Professional Life* and *Role of Communication in Engineering*.

Students from First Year Department along with BE students attended the sessions. Students also asked their doubts during these sessions. Dr. Pradip Pawar highlighted the significance of using effective language in the professional life and career. He mentioned that when we enter the professional or corporate sector, it is necessary to know and communicate in the target language and speak in it effectively. He guided students about the use of English and soft skills and we should effectively learn and use them in the professional world.

Dr. Dipali Kadam delivered a session on Role of Communication in Engineering. She highlighted the process of communication and how knowing the effectiveness of the communication process is important during the communication in the day to day life. She also highlighted the significance of effective communication in Engineering education. Dr. Aparna Sajjan, Prof. Hanumant Borate and Prof. Deepak Sonawane were present for the sessions. Dr. Deepak Sonawane expressed the vote of thanks. Dr. Anil Patil planned and coordinated the workshop under the Centre for Enhancement of English and Foreign Languages (CEEFL) of our Institute.
