The report of institute audit of 2021-22 & 2022-23 conducted on 9th March 2023 is as follows.

Observations and Suggestions

- Effective curriculum planning and delivery is maintained through a well-planned and documented process including Academic calendar.
- Continuous internal Assessment is maintained.
- Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences using ICT tools.
- Various activities are conducted for problem solving skills and experiential learning e.g. MOOC courses, Industrial visits.
- Almost all faculties have their YouTube channel and have published subject related video's on it.
- Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient.
- Programme Outcomes (POs) and Course Outcomes (COs) for all Programmes offered by the institution are stated and displayed on website and attainment of POs and COs are evaluated.
- Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge.
- Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development.
- Adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, gymnasium, yoga center.
- Library is automated using Integrated Library Management System (ILMS), subscription to e-resources, amount spent on purchase of books, journals and per day usage of library
- Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection
- *More emphasis should be given on effective utilization of laboratories.*
- *Faculty should be encouraged to publish papers in SCI journals.*
- *Provision for special coaching in different prominent games be initiated.*
- *Departmental library should be enriched*
