We strive for continuous improvement in academics as well as support system through student's feedback. Feedback is taken twice in a year through online mode and it is anonymous. Analysis and outcomes are used for improvement of teaching quality and support system.

IQAC carries out online feedback process and analysis is done by head of the department. Corrective actions are communicated through head of the department to concern as per the directions of IQAC.

Student Feedback Form (2018-19)

Theory

Sr. No.	Parameter	Poor	Average	Good	Very Good	Excellent
1	Command on English
