Tree Plantation Drive: "Go Green, Breathe Clean"

Year-2025-26

Report

Date : 11/10/2025

Time: 9:30

Venue: Vanjarwadi, Baramati

■ Introduction:

The National Service Scheme (NSS) unit of VPKBIET, Baramati organized a Tree Plantation Drive on 11th October 2025 under the theme "Go Green, Breathe Clean" on account of NSS day. The event aimed to spread awareness about environmental protection, increase green cover, and inspire students to take active steps towards a sustainable future.

● Local Presence:

Several local leaders and village authorities were present to support the initiative:

- Appointed Village Head, Mr. Jagannath Baban Vanwe, Wanjarwadi Gram Panchayat
- Clerk, Mr. Pintu Dadaram Sawant, Wanjarwadi Gram Panchayat

They encouraged the students and emphasized the significance of such eco-friendly initiatives for the betterment of the community and environment.

● Objectives:

1. To promote environmental sustainability and ecological balance
2. To increase the awareness of students regarding the importance of trees in combating pollution and climate change
3. To encourage social responsibility and collective efforts for a greener environment

● Event Details:

All NSS volunteers and participating students assembled at the VPKBIET Workshop at 9:15 AM, from where they proceeded to the plantation site at Vanjarwadi, Baramati. The event began with an introductory speech by the NSS Program Officer (Ms.Shreemanti Rokade and Dr Ilmesh Jagdale) highlighting the significance of trees in maintaining environmental health

and plantation importance.

Students enthusiastically took part in planting various saplings including neem, mango, karanj, cheery, pipal and banyan. Proper instructions were given regarding the method of plantation, watering, and future care of the saplings. The local villagers also joined and appreciated the initiative taken by the NSS unit

- **Support and Contributions:**

The NSS Department extended heartfelt gratitude to the management of VPKBIET, Principal Dr. Lande, all Dept NSS Program Officers, Heads of Departments, and staff members for their generous support, arrangements, and active participation. Their guidance and encouragement were key to making this plantation drive a success.

Students actively participated in the initiative, demonstrating their commitment to environmental conservation. The plantation of these saplings will help improve greenery in the area and contribute to Reducing Pollution, as appreciated by all attendees.

- **Conclusion:**

The Tree Plantation Drive by the NSS Department of VPKBIET was not just about planting trees; it was aimed at creating environmental awareness among students. The initiative successfully enhanced greenery in the local area and promoted the spirit of ecological responsibility in the community.

Through collective efforts of students, staff, and local authorities, the motto “Go Green, Breathe Clean” was achieved. The NSS Department also assured to continue organizing such eco-friendly programs in the future to strengthen environmental consciousness.
