

Name	Patil Pradeep Manikrao					
Department	Information Technology					
Designation	Assistant Professor					
Area of Specializations	Machine Learning, Computer Vision					
Date of Joining the Institute	02/02/2005					
Email Id	Pradeep.patil@vpkbiet.org					
Qualifications	ME(Computer Science and Engineering)					
Vidwan Profile	https://vpkbiet.irins.org/profile/278463					
Total Experience	Teaching	28	Industry	0	Research	0

Brief Profile:

Pradeep M. Patil received his Bachelor of Engineering (B.E.) degree from Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, in 1995 and Master of Engineering (M.E.) degree from Shivaji University, Kolhapur, in 2005. He has organized and participated in workshops conducted under Project Ekalavya, IIT Bombay. He has successfully completed NPTEL certification courses in Python for Data Science, Deep Learning for Visual Computing, Introduction to Machine Learning, and Introduction to Programming in C. His teaching interests include Machine Learning, Computer Vision, Design and Analysis of Algorithms, Data Structures, and Database Management Systems at the undergraduate level.

Vidwan Id: 278463

Professional Memberships: ISTE: LM 75636, CSI: I1069782

Participation in FDP/STTP:

- 1) Advanced Machine Learning Using Python With Green Technology, From 07/07/2025 To 11/07/2025
- 2) Deep Learning For Visual Computing, NPTE FDP, 12 week, Jan-April 2025
- 3) STTP on Full stack development organized by ISTE, From 10/10/2023 to 29/01/2024
- 4) Training program on Intel Unnati from 21/02/2024 to 25/02/2024

Certifications:

- 1) Python for Data Science, NPTEL, Jan-Feb 2026 (NPTEL Topper in this course)
- 2) Deep Learning For Visual Computing, Jan-Apr 2025
- 3) Introduction to Programming in C, Jul-Sep 2019
- 4) Introduction to Machine Learning, Aug-Oct 2018

Grants Fetched: Receive Rs 120000/- Research grant, SPPU Pune, from 01/04/2014 to 31/03/2016.
