BOS members sent some suggestions through email are as follows:

1. The reference books and textbooks should be of the recent edition.
2. Reduce the syllabus contents of Antenna and Wave Propagation.
3. Instead of Computer Organization subject add subjects like Software Radio Define or New Technological Era.
4. For the Smart Antenna subject, go to MNIT Jaipur to see their Smart Antenna laboratory.
5. For the Internet of Things, some parts of CVML can be incorporated in Unit VI, and IoT Security Points are to be included.
6. Review the syllabus of honour courses
