19.	Mrs. Sheetal Patankar	Member, IT Department, VPKBIET Baramati	
20.	Mr. Sachin Lonkar	Member, IT Department, VPKBIET Baramati	

**In the BOS Meeting following suggestion received:**

1. For all pattern, map the courses with Swayam, NPTEL online platform as per UGC regulation. Try to maintain the below format for the same

Sr. No.	Year (FE/SE/TE/BE)	Course Code	Course Name	Details of Online Course	Percentage similarity
---------	-----------------------	-------------	-------------	--------------------------------	--------------------------

2. For course IT24301-Theory of Computation:- add “Complexity Theory” concept as per scope of course.
3. Course IT25101-Fundamentals of Data Structures:- Syllabus is acceptable and easy to understand for F.Y. student.
4. Dr.Shirish Sane sir Comment:- Position of Maths in SEM IV - “My opinion is that such positions of subjects like Maths which are common across branches may be taken at Institute level across all departments to balance the workload in Even and ODD semesters, if not already taken care of”.
5. Add “Green Computing” course in M.D.M. list to address S.D.G. goals.
6. Received appreciation from external BoS member for compilation of double minor syllabus and structure.
7. Conduct awareness session for non-IT branches student for taking up Double-Minor choice to enhance the placement options.
8. Avoid to introduce new pattern every year. At least 2 year follow the same pattern to avoid other academic dependencies.
