The program was organized under the aegis of Women Empowerment Cell (WEC) and National Service Scheme (NSS) in collaboration with the institute (VPKBIET)

Women Empowerment Cell (WEC) VPKBIET along with NSS has organized a helpful session on money management. The goal was to teach female students, faculty and staff how to handle their finances wisely. It was a simple designed to give women the confidence to manage their own savings and bank accounts.

The session was very **interactive and motivating**. It turned a "boring" topic into an exciting one, showing the ladies exactly how to take charge of their own money. Participants engaged in lively discussions, asking practical questions about investment risks and digital safety.

Objectives of the Program

- To create awareness about personal financial management
- To educate students on savings, budgeting, and investments
- To introduce banking services and digital payment systems
- To promote responsible financial decision-making

Topics Covered

- Basics of Financial Planning
- Budgeting and Expense Management
- Banking Services (Savings Account, Loans, Interest)
- Digital Payments (UPI, Net Banking, Mobile Wallets)
- Investment Options (FD, RD, Mutual Funds, Insurance)
- Prevention of Financial Frauds and Cyber Security

Overall Impact: *By addressing both physical health and financial literacy, VPKBIET provided a truly holistic celebration of International Women's Day—ensuring both the physical and economic well-being of its community.*
